

## Websites to Remember from Internet Safety Presentation

[www.formspring.me](http://www.formspring.me) (cyberbullying website, where you create honesty boxes and tell people what you really think about them)

[www.youopenbook.org](http://www.youopenbook.org) (searches facebook's public server)

[www.chatroulette.com](http://www.chatroulette.com) (video web chatting with people from across the globe)

[www.omegle.com](http://www.omegle.com) (same concept as chat roulette without the video chatting, you are instant messaging).

[www.netismartz.org](http://www.netismartz.org) (safety website run by the National Center for Missing and Exploited Children)

[www.cybertipline.org](http://www.cybertipline.org) (make anonymous tips to National Center for Missing & Exploited Children to investigate cases of child exploitation).
